Our Story, Our Mission, Our Vision

Welcome to Agristream. Our journey began with a simple belief: that healthy food starts with healthy land. Located in the beautiful Vuwani Tshivhulana, our farm is a testament to the power of regenerative agriculture and a deep respect for nature. Every member of our team is dedicated to cultivating food that is not only delicious but also good for you and the planet.

Our Mission
To cultivate high-quality, sustainably grown produce for our community, fostering a deeper connection to our food and the land.

Our Vision
We envision a vibrant local food economy where community members have direct access to wholesome, farm-fresh products.

Our Farm-Fresh Products

From our pastures to your plate, discover the taste of truly regenerative farming. All of our products are raised and grown with care, ensuring the highest quality and flavor.

Eggs

free-Range Eggs

Our happy hens roam freely, spending their days foraging for insects and grasses. This natural diet produces eggs with vibrant, golden yolks and exceptional flavor. Available by the dozen.

Our Livestock

Our Livestock are 100% pasture-raised on lush, open land. This results in lean, flavorful meat that is rich in nutrients and free from hormones or antibiotics. Available in various cuts and quantities.
